PRAYER PAGE

Pastor Matt emailed the following Prayer Prompter this week . . .

Brothers and Sisters in Christ,

Please be in prayer for the following:

--Please pray for **Ron Nye** and his family as Ron is in the hospital in Seattle. Ron suffered a number of bad seizures and increased weakness over the Thanksgiving weekend and was airlifted Tuesday night to the University of Washington Medical Center with kidney and heart issues. He is responsive and is showing some improvement.

Ron is a beloved member of our congregation who has contributed greatly to our ministry. The Lord has blessed us, and especially our youth, with Ron's great sense of humor, playfulness, and faith. Please pray for wisdom for the doctors in their treatment plan for Ron. Pray for God's comfort and presence to so envelope Ron and his family that they can have assurance that Ron is in God's sovereign plan and care. Pray that God's will be done.

Please pray for Lesley Robbins' daughter, **Kim Miles**. Kim is very ill with kidney and liver problems. She is on the liver transplant list and the doctors are working hard to improve the status of her kidneys in order to move her up to the top of the transplant list. Lesley takes comfort in that Kim is receiving the best care possible at Oregon Health & Science University and she has a good support system. Pray for Kim's doctors and for Kim's family as they care for her.

Please also be in prayer for **Dorothy Tesch** this Wednesday, December 6, as she will undergo surgery to relieve spinal stenosis in her lower back.

Peace to you,
Pastor Matt
